DOCKET CONTROL

Re: Docket Number S-20938A-15-0308

MOTION TO SUSPEND HEARING MAY 11, 2016 AFTERNOON THROUGH MAY 13, 2016

To Whom It May Concern,

I would respectfully request that the Hearing on the above case be suspended, should it still be going, on the afternoon of May 11, 2016 through May 13, 2016. A situation beyond my control has arisen, and will require my attention at those times.

This week we confirmed that a Public Planning Commission meeting in the city of Rohnert Park, California, which was originally thought to be docketed for May 26, 2016 has now been slated for May 12, 2016. This hearing on a project in which I am a principal will be held the evening of May 12th. Prior to that meeting a meeting has been set by the Rohnert Park Planning Department for that day.

The Planning Commission docket, and the meetings with the Planning Department are set by the city, and I have no control over when those events take place. These meetings are critical to progression of a large development project, and require my participation. In order to attend these meetings I will need to travel back to California on the afternoon of May 11th, and will not be able to travel back from Rohnert Park until Friday May 13th.

It would be my request that, if the hearings are still continuing on May 11th, that we recess at noon and continue on May 16. The meetings in Northern California are critical, and cannot be rescheduled. It is my understanding that all of the other participants in these hearings are local to Phoenix, and I am the only one that has to travel from California. If the Arizona hearings require time beyond noon of May 11th I ask that the Commission allow this brief suspension be granted.

Respectfully submitted this 29th day of April, 2016.
